MEMORANDUM

TO: Research Scholarship Awardees
FROM: Linda Piazza
Director, Research
RE: Research Allowance

Please be advised of the following conditions pertaining to your yearly research allowance:

- 1) The research allowance indicated in your award letter is available for each fiscal year of your award (July 1 to June 30). This allowance is made available for travel to conferences and other academic meetings, research equipment, materials and supplies, relocation to and from the laboratory (where applicable) and other costs directly related to the research.
- 2) These funds should not be used to supplement the awardee's salary or for general institutional overhead costs.
- 3) The research allowance is administered by the financial office in your institution. You should contact the appropriate office to claim the allowance and determine the conditions for payment.
- 4) Please note that any unused portion of the research allowance can be carried over to the second year of funding. However, at the end of the award, any unused portion of the research allowance will be returned to the Heart and Stroke Foundation of Canada.
